

GHOST

HIRING

ANONYMITY - TALENT - EQUALITY

About Us

At Ghost Hiring we are all about anonymity.

We believe that as creatives the work, and your talent should speak for its self - no exceptions.

Our mission is to create truly equal opportunities, whilst keeping young creative's work at the forefront of the employment process.

In a time where a 'complete' creative candidate with a defined personal brand, style, social media engagement, and countless other attributes is becoming more expected and desired. We encourage employers to embrace risk and choose the work, the ideas, the talent, not the individual.

Built by creatives for recent graduates and junior leveled individuals that are taking their first steps into industry. We provide a way to browse and apply for countless opportunities with the luxury of anonymity to let the work shine.

How do we do this? Once you have found a job that you'd like to apply for you will then need to pick a 'Drop Off' box location. A pop up with a QR code and a candidate number will then appear, this is to be printed and put on the envelope of your portfolio. Once confirmed, you will have until the application deadline to drop your portfolio to your desired Drop Off location.

Studio Moross

Junior Graphic Designer

Based: London

Salary: £22,000

Contract: Full Time

Drop Off by: 13:00 01/01/2021

About us
Studio Moross is a 10+ person design studio based in Stockwell, South London. We work predominantly in music, TV, and Live, with a strong focus on branding and art direction. We use a non-hierarchical approach to project assignments, and support people in creating a job role that works for them and meets their interests and aspirations. There is often evening/weekend working as part of the team, being nurtured through internships, work experience and mentorship programs. Our open and fair office culture is an imperative part of the fabric that makes up Studio Moross.

The well-being of our staff is just as important to us as the work we produce. We recognise that the creative industry is notorious for being a stressful environment with long, unsociable hours - often resulting in an unhealthy office culture. So we implement shorter more efficient working days, leading to increased productivity and an all-around happier team. Any work outside of regular office hours is paid, in addition to the base salary.

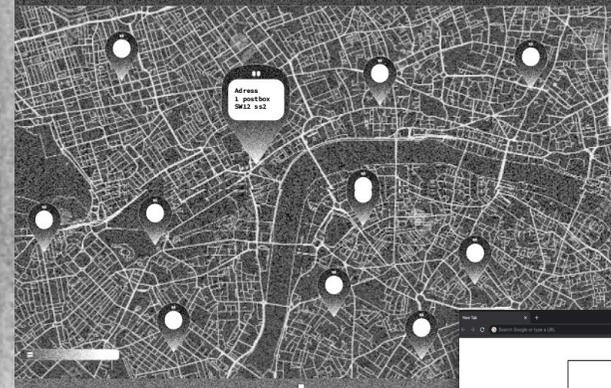

Studio Moross is devoted to acknowledging and implementing diversity within the company. Director, Kate Moross uses their platform to speak and write in the area of, in Kate's case, uplifting the voices of non-binary and LGBTQ+ people in the creative industry. Studio Moross makes a conscious effort to address imbalances within the creative world by challenging all forms of oppression. Understanding higher systematic forces at play and hiring accordingly is crucial to their core values.

We are focused on building a diverse and inclusive workforce. If you are excited about this role, but do not meet every qualification listed, we still encourage you to apply.

Job Role
We hope to find someone with 3+ years of experience as a studio manager or in a similar role. We are looking for a multi-tasker, problem solver, and organiser - someone who can build strong relationships with the team and keep the studio running smoothly. The Studio Manager is a hugely important and very varied role.

Due to the high level of interest only successful applicants will be contacted.

Pick A Drop Off to Apply : Once you have picked and verified your Drop Off point you will then see a QR Code and applicant number, please print and attach to your portfolio. You have until the deadline stated above, to drop your portfolio.

1) Available Jobs Page 2) Job Opening page with Drop Off Selection before and after Confirmation, 3) Applicant's QR Code and Number Pop Up
